MSW Qualification Criteria

MSW are asking all Clubs to ensure they nominate any player they feel is comfortable to play a higher standard of cricket, displays the attributes of a representative cricketer and meets MSW qualification criteria for representative selection, a player must:

\* Be registered with a MSW affiliated Club

\* Be nominated by their MSW affiliated Club

\* Attend all the trials

\* Attend all practice sessions and trial games

\* Play at least 5 of the 9 weeks in a MSW competition or Queensland Cricket sanctioned competition (for example, Premier Grade Cricket)

\* Be available to attend the South Conference Carnival

If a player fails to meet any of the above criteria, then they will not be eligible to represent MSW. A player may be withdrawn by the MSW Management Committee at any time leading up to a carnival. If a player has a valid reason why they could not meet the above criteria, they may submit a written request to the MSW Committee for exemption. This request needs to be submitted as soon as possible to the event. The MSW Committee will have sole discretion in determining if a player's absence from a MSW commitment is valid, based on the available information and the player's request. Please note that non-Queensland Cricket or Queensland Junior Cricket sanctioned matches will not meet the criteria of an exemption.
